Take pictures of pollinators

Use Earthday.Org's educational resources in the classroom

Introduce the Global Earth Challenge app to your community

Take the first step towards ending plastic pollution

Support organic ingredients

Sign the petition pushing for climate and environmental literacy education

click on topic for more information

Take the clean energy quiz

Take photos of the horizon

Take photos of plastic waste

Buy local food

Eat less meat

Grow an organic garden

Take the ocean plastic pollution quiz

Use a reusable water bottle

Skip plastic, buy glass or paper products

Practice sustainable fashion

Use environmentally friendly cleaning products

Practice a simple act of green every day

Turn off lights when not in use

Take the sustainable fashion quiz

Join Earthday's Social Squad

Volunteer with us

# EARTH DAY

## APRIL 22, 2022

click on topic for more information

# Capitalism and Sustainability

“Most stakeholders – from shareholders, to employees, to customers, to communities, and regulators – now expect companies to play a role in decarbonizing the global economy. Few things will impact capital allocation decisions – and thereby the long-term value of your company – more than how effectively you navigate the global energy transition in the years ahead.”

**Larry Fink**  
CEO, BlackRock  
*2022 Letter to CEOs*

**HAPPY  
EARTH DAY**

## **Brenna Walraven**

*President & CEO*
